Policies

1. Effective 5/1/2025, we will serve those who are walking in the 15 minutes prior to the scheduled start time. For example, if we start at 1:30, we will serve those who are walking from 1:15-1:30 pm. If you are walking and arrive after we have begun serving those in vehicles, you will be required to wait to be served until all cars have been served.
2. If there are thunderstorms in the forecast, we will cancel distribution. The BEST way to know if we will need to cancel is to sign up for our text messages. Please see the opposite side of this document for how to sign up for text messages.
3. If it is below 70 degrees and drizzling, we may cancel distribution. Remember we are staffed by volunteers and they often remind us, they are not ducks.
4. If you submit a proxy form, it must include the recipient's name, address date of birth and phone number. We will call to verify they are receiving the food given and if we cannot reach them, we will not provide food for them until we have verified the information. We must call them, not them call us.
